Plantation double hung windows

STANDARD FEATURES

- Removable, tilt in sashes make cleaning from the interior possible.
- Fusion-welded main frame and sash add strength and ensure a weathertight seal.
- Insulated glass seal with warm edge technology.
- Reinforced meeting rail and top sash prevents sagging and provides a metal surface for locking hardware mounting screws.
- Block & tackle balance system ensures quiet, trouble-free sash operation.
- Dual cam locks on all windows 32" and wider.
- Multi-chambered 3 1/4" frame increases thermal performance and overall strength of window frame.
- Full screen
- Dual weatherstripping
- Equal glass lites

OPTIONS

- White or Tan
